

GRAND JURY COMMITTEES ARE HARD AT WORK

INVESTIGATING COUNTY OFFICES AND AFFAIRS OF N. AND O. BANK.

During the present week the members of the various committees appointed by the grand jury, have been busily engaged in their allotted work. The committee named to examine the books of the various county offices, have been performing their duties in a diligent manner, and will probably complete their task by the end of the week.

The books of the treasurer's office have been gone over and everything found to be in a first class manner. The examining of the county recorder's books has not been completed yet, but up to date everything is in ship-shape condition.

The committee at work investigating the affairs of the Nye and Ormsby county bank are progressing slowly. Every detail is being carefully looked into and no piece of information is overlooked, no matter how small it may be. This committee is profiting in a way from the investigations as conducted by the former grand jury. Considerable data was then collected which is now undergoing the careful scrutiny of the inquisitorial body. Later the books of the bank will be brought down from Carson and important developments, it is thought, will result.

No return has been made in the case of Joe Mick, charged with arson, but the matter is being investigated and numerous witnesses have appeared before the body. A report may be made before Judge Averill leaves for Ely Friday, and if none is presented, the case will be held over until the judge returns, which will be about the first of the month.

RESERVOIR FOR WATER STORAGE TO SOON BE BUILT

PRESIDENT E. G. WHEELER HAS ORDERED PIPE FOR NEW LINE.

Colonel E. G. Wheeler, president of the Tonopah United Water company, who is here talking over matters with Manager Fred Burnham, announced yesterday that the pipe had been ordered to convey the water to the new storage reservoir that will soon be constructed. The plans are now being drafted and before long the definite site will be selected.

The reservoir is desired to give additional force to the water supply so that houses in the outlying district will be afforded the same protection as the buildings near the center of the town. The force at present is far from sufficient to throw a suitable stream when a line of hose is attached to the hydrants in the higher part of the town and as a result a number of residences have been destroyed.

On the arrival of the pipe, and probably before, the reservoir will be constructed. This will result in quite an expense to the company but, as Manager Burnham says, the result in the saving of property will more than offset the expense.

ELKS WILL SOON OWN THEIR OWN HOME

SECURE OPTION ON SOLLENDER BUILDING FROM STATE BANK AND TRUST CO.

Tonopah lodge No. 1062, Benevolent and Protective Order of Elks yesterday secured an option on the Sollender building, where the club rooms are located, and will take over the property within the next month or two.

This move has long been contemplated and it was finally decided to purchase the building at the regular meeting Tuesday night. Captain George W. Thatcher was appointed to make the negotiations and yesterday afternoon secured the option from Fred Seymour, who represents Fred S. Wildes, receiver for the State Bank and Trust company.

During the last year the Elks have occupied the upper floor of the building, many improvements have been made to the premises and now it is planned to transform the building into a regular Elks' home. It will be made one of the most attractive homes in the west.

FINE PROGRAM ARRANGED FOR THIS EVENING

BEST CONCERT EVER HEARD IN TONOPAH AT THE BUTLER THEATER.

Tonight at the Butler theater one of the best concerts ever heard in Tonopah will be presented. There will be two shows, the first one commencing at 7:10. It is rarely that the theater going public of Tonopah will have the pleasure of hearing a program so well balanced. This is what the Goldfield News had to say of Mrs. Harrison's concert at Goldfield:

"The success of the concert given last night by Mrs. Leonore Gordon Harrison was a distinct success and the large audiences showed their good pleasure in the hearty applause they gave each number. The Inflammatus from the Stabat Mater was beautifully sung. Mrs. Harrison was in fine voice and her brilliant tones were given full scope in this magnificent selection. The chorus was well trained and each singer showed excellent care in shading and expression. Mr. Milton Ish, the famous violinist, held the audience spellbound with his splendid solo, "The Son of the Pustia." Mrs. Harrison was a handsome dark-eyed Carmen in her solo "Habenera." In this she wore a black satin jet trimmed gown and a Spanish lace mantilla covered her head. A soft spot-light made an effective picture. Schubert's Serenade, sung by the woman's quartette, was one of the most popular numbers of the evening."

The program will be as follows: Moving picture—"Lorenzo, the Wolf."

Inflammatus from Stabat Mater (Rossini). Mrs. Leonore Harrison and chorus. Interpreted by Mrs. Tom Kendall.

Habanera—"Carmen." (Bizet). Mrs. Leonore Harrison.

Ladies' Quartette—Serenade (Schubert).

Aus Meiner Grossen Schmerzen (Franz); (Born of a Pain Undying).

Die Kaiser Blume (Corn Flower); (Coverley).

A Bowl of Roses (Clarke). Mrs. Leonore Harrison.

Moving picture—"The Clay Bakers."

The following artists take part in the performance:

Mrs. Zeb. Kendall, Miss Florence McNeill, Miss Muriel Robb, Miss K. Hepperson, Mrs. C. D. Ballard, Mrs. W. M. Grimes, Miss M. Harrison, Miss Blanche Robb, Mr. McGinn, Mr. Degan, Mr. Anawald, Mr. Roach.

The price of admission will be 25 cents. No reserved seats.

MARRIAGE LICENSE.

County Clerk Robert G. Pohl yesterday issued a marriage license to Thomas M. Cahill and Miss Charlotte McGinn, both of Round Mountain.

LITTLE FAIRIES ARE PRACTICING FOR CANTATA

CHILDREN IN PRIMARY GRADES HAVE THEIR PARTS ABOUT LETTER PERFECT.

Have you a little fairy in your home? If not you should be ashamed of yourself. Little fairies, that are fairies, will take the leading parts in the cantata that will be given by the pupils of the primary schools at the Nevada theater Saturday evening. The little tots have been practicing faithfully for the last month and are about letter perfect in their respective parts. The production will prove a decided surprise for there will be talent galore, hitherto undiscovered, but brought out by Mrs. W. L. Berry, instructor in music for the schools.

The performance will be for one night only and a pleasant evening is guaranteed. The receipts of the show will be used in liquidating the debt of the athletic fund of the high school.

DECISION GIVES PIPE LINE TO THE DAISY COMPANY

JUDGE AVERILL DISPOSES OF PIPE LINE OF ROUND MT. HYDRAULIC CO.

Judge Mark R. Averill yesterday handed down a decision in the Round Mountain hydraulic mining case, which disposes of the pipe line of this company. Some months ago he rendered a decision giving a portion of the line to the Round Mountain Banking corporation, and the decision or yesterday gives the remainder to the Daisy Mining company on the expiration of the hydraulic company's lease, which will be in 1911. The affairs of the hydraulic company are in a tangled shape, having been before the bankruptcy court for some time. A number of months ago the creditors met but at that time were unable to agree upon a receiver for the company. The suit of the Round Mountain Banking corporation was filed by Receiver R. P. Dunlap.
